Jersey 7/2/57

Mr. Goldie

Dear Sir

I beg to acknowledge yr cheque for settlement for Act Account for Act of R. Colt Esqr Cattle & Poultry which I enclose Acct of Weights

As to the Guernsey Cow Calf I mean and She is a splendid animal and if you could get her and her Calf She is worth any 3 of your former Cattle sent out, I forward you one of my little Pamphlets on the Cow and if my name and address be inserted ye are welcome to use any portion of it to advantage I shall at all times do my utmost to serve you either with hints or anything you may require at Installment or Shipment & if not anything you may require me up to this period I am on your account

very little Snow, I have some Splendid Steers
in View you say the Cow come sadly Bruised
they was a bough let the was untouched too I
did not forget to charge either for Freight
Now the Guernsey is the richest butter Cow in
the world and our Midland Farmers who
Dairy Consider Guernsey amongst 6 Short Horn
or Devon Cattle sufficient to enrich their
butter to superior value 2/ per lb they are
also considered better to Cross with than the
Alderney as they combine more substance
and if with a Lemon colour nose the half
Breed more esteemed than any other Cow
for the Dairy but they are as Bullocks very
high Coloured in their Flesh which there is
some people who much dislike it, the Cross
with the Jersey Cow is different in colour
and of Course smaller the Guernsey being

much longer than the Alderney both
in Nature and Bone and not the
symetry the Rose Cow possesses any other
influence I know not. your Pat Guernsey
Cow Sweet is Butted by the Guernsey Bull
the Emperor 4 Inches Punched at 70 Gns
I submit Mr Colt was advanced in years
the Journals shake very light of him
I am pleased you are likely to continue to
reside I sent one of my Books to Mr.
Giles it was returned to me I trust
he is well make my best to him &
believe me Ye Ob. Friend
